Dedication

by the editors

We have won the victory of war, but the peace is not yet a reality. The world, long over-shadowed by the clouds of conflict, now turns with hope and expectancy to what lies beyond. We may seek guidance from the past, but it is to the future that we must dedicate our endeavors. It is no longer the time just to plan for peace; now the time has come to work for peace.

This future is ours, not only to live in, but ours to fashion after our ideals. It is not only the leaders of nations, or the men seated around the conference table who will decide what is to come, but it is the individual who will ultimately make this decision. Upon his determination and will for peace lies the hope of the world and of civilization. The long words and impressive documents will not create peace where the spirit of peace is lacking.

The true spirit of peace can be brought about only by universal education, for it is only through such a plan that people can see the fallacies that lead to war. It is known now that peace is not merely the stopping or postponement of war, but that it must be the complete prevention of war, that the underlying evils that lead to war must be removed.

This is realized by our peacemakers, who also realize that education is a valuable component of peace. They know that without education such fundamental causes of war as intolerance and insecurity cannot be entirely eradicated. At San Francisco, educators, for the first time in the world's history, took part in a peace conference, where a provision for education was written into the United Nations' Charter, under the Economic and Social Council. As one of the most prominent educators at San Francisco was our superintendent of schools, and also president of the National Education

To Peace

Association, F. L. Schlagle, perhaps Kansas City, Kansas, has an even greater stake in the peace.

Of course, education alone cannot make or keep the peace, but without it all other factors will be useless. When the individual has learned to discriminate between truth and falsehood, when he is willing to discard his old intolerance in the face of new facts, then and only then will peace be secure.

As was pointed out by one of the greatest of all peace-makers, Field Marshall Jan Christian Smuts, of the Union of South Africa, "Great as our achievement is, I feel that more is needed than a machine of peace. Unless the spirit to operate it is there, the best plan or machine may fail. The human factor must play its part." And this human factor must be educated.

The future is ours. It is an immense undertaking, but with a foundation of education and a knowledge of the value of our schools we may go to work for a better world.

With this in mind, we dedicate the 1946 edition of the "Quiverian" to peace—with the sincere hope and expectation that through our school endeavors we may help to build the peace of our ideals.

Sixteen students and their alternates are appointed each year to the student cabinet whose chief objective is to represent the entire student body, foster student government, and promote and sponsor school activities.

Student cabinet is called together regularly by Principal J. F. Wellemeyer. At the first meeting of the year, which usually occurs in October, plans and activities for the coming year are discussed. At a later date members have an opportunity to work on various committees that sponsor school activities.

Student cabinet members include presidents of the four classes and students from the Boys' "W" club, foreign language clubs, Christian and character building clubs, fine arts and music, publications, Kay Cees, Tyronian club, Home Living club, Girls' League, Girls' Athletic Association, speech department and the Hollywood club.

The president of the senior class automatically becomes chairman of the group with the junior class president as vice-chairman, and the Tyronian club representative as secretary.

Organized in 1939, the student cabinet has done much to establish a link between students and the school administration. Each year the student cabinet takes part in Open House and sponsors various other activities. The group also undertakes the publication of the "W" Book, the school handbook.

Seniors

by Connie Metaxas

Unusual opportunities and handicaps confront the seniors at a time when the world is still disorderly, but the war is ended and seemingly successful measures for world unity are being taken. Many members of the class are in the armed forces while other members of this same class are veterans of World War II.

Mr. Francis Gregory has been the guide of the 446 seniors who, for their annual play, backed the production of "Charley's Aunt".

Officers, left to right: Mr. Francis Gregory, sponsor; Bruce Talmadge, treasurer; Iris Caldwell, secretary; Donald Simcox, vice-president; Hugh McCaughey, president.

Juniors

As is the tradition, the junior class honored upperclassmen at the Junior-Senior Prom this spring. Funds for it were raised from the junior play, "Junior Miss," an hilarious 3-act comedy presented in February. The 581 students, comprising the junior class, are sponsored by Miss Louise Timmer.

Now they are eagerly anticipating being seniors next year when they can take the leading roll in school activities.

Officers, left to right: Miss Timmer, sponsor; Shirley Taff, treasurer; Mary McGowan, secretary; Marietta Lind, vice-president; Kenneth Medearis, president.

Sophomores

Fully prepared to shed the shyness of underclassmen and undertake the responsibilities of upperclassmen are the 708 sophomores whose sponsor is Miss Nelle Cook. The sophomore class consists mainly of students from Central and Northwest junior high schools and is the largest in Wyandotte.

Two assemblies, one commemorating St. Patrick's Day and the other acquainting students with the candidates for class office, were sponsored by the sophomores.

Officers, left to right: Joe McCaughey, president; Don Larson, vice-president; Jim Davidson, secretary; Marilyn Claxton, treasurer; Miss Nelle Cook, sponsor.

Freshmen

Freshmen are now well acquainted with the big red school house and its simple "H" plan and prepared to enjoy high school life to the fullest. They have been fortunate in that their first year of high school came in peace time.

The next three years will be busy ones for these 218 freshmen as they prepare themselves for future life and equip themselves with knowledge that will aid the nation in carrying out peace plans. Freshmen have been "sponsorless" since Mr Miles Eaton was transferred to Junior College.

Officers, left to right: Arthur Spradlin, president; Joe Christy, vice-president; Patricia Brandt, secretary; Bud Alexander, treasurer; Mr. Miles Eaton, sponsor.

French

by Gerald Rushfelt

Left to right: Ardis Brown, Fred Cross, Evelyn Bryan, Barbara Larsen, Larry Tate, Dorothy Mirich, Lola DeRosseau, James Royer, Martha Sioulas, Allen Harmon, Miss Nina Howe, Marjorie Payne, Joyce Hicks, Joan Copple, Glenn Stillwagon.

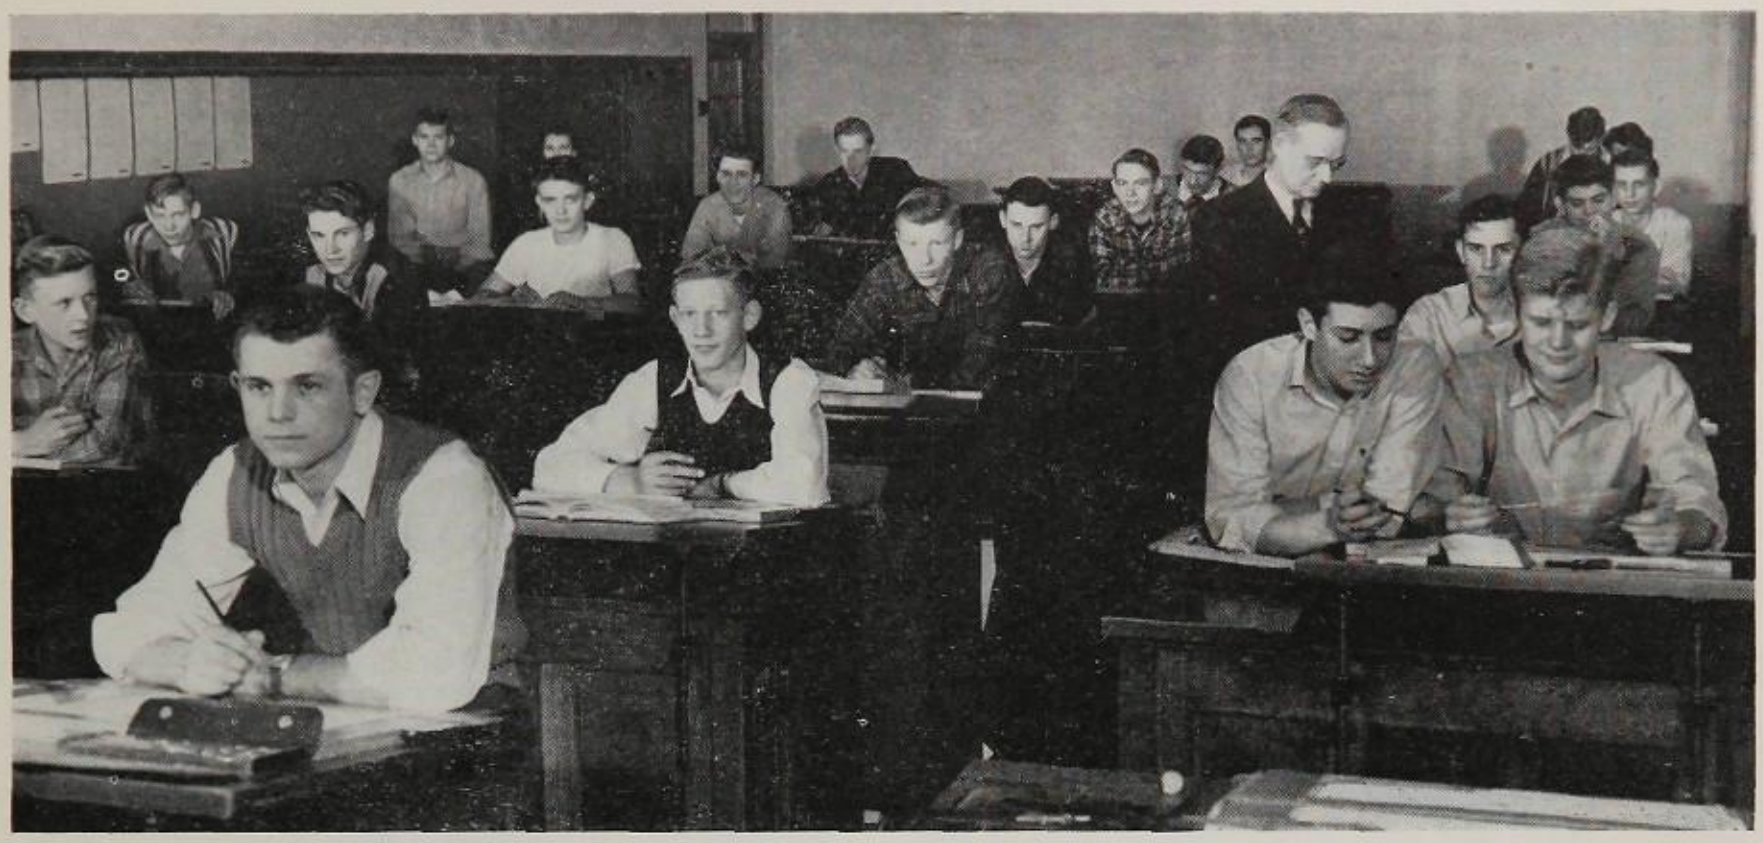
Miss Howe's first year French students in this picture are playing "Count and Spell Lotto", a game which helps teach vocabulary and numbers. On the bulletin board in the background is a map of France similar to that which each student was required to make. Keeping news clippings, learning the French national anthem and Lord's Prayer in French are among the other interesting activities taken up by this group.

Electricity

Left to right: John Kurelac, Bill Thrutchley, Lawrence Lamar, Bill Baily, Don Hursch, Gordon Haggard, Bob Orton, Deloss Stephens, Jim Wheat, Robert Severance, Richard Haworth, Leo Arango, Charles Rimmel, Bill Long.

Making induction coils is only one of the many projects undertaken during the year by this elementary electricity class under the instruction of Mr. Duren. Other projects made by these boys help to illustrate basic electrical principles and fundamentals of magnetism, static and current electricity, and practical electricity up through radio. This year marks the return of electricity to our curriculum.

Machine Design



Left to right: Don Hankinson, Belfour Templin, Don Wilson, Lester Anderson, Robert Henckel, Merrill Law, Eugene McKain, Richard Mika, Barbara Lattin, Donald Kling, Datin Cartier, John Munkers, Manford Shirley, Joe Latas, Stephen Mermigis, Don Daniels, Clay Coburn, Mr. Jones, Charles Carmitchel, Dick Wedge, John Brooks, Jim Cook, Agnes Housten.

Boys in this class are taking machine drawing and advanced machine drawing. Those taking third year drafting make drawings applying to construction of bearings, pulleys, gears, etc., while the advanced classes make drawings with application to detailing and assembling of machines and machine parts. Mr. Carl N. Jones is instructor.

World Geography

Back row: Don Uzzell, Charles Wagner, Richard Vogel, Bob Brooks, Bill Eargle, Jimmy Barnes. Front row: Marcelite Roschke, Bonnie Schaulis, Mrs. Corporon, Patsy Bell, Helen Coffman, Norma Grace, Bruce Dimmit. Seated: Billy Marker, Martha Jane Hays, Pat Achterberg, Sidney Morris, Marty Mooty, Barbara Larsen.

This year, for the first time at Wyandotte, the World Geography course replaced Civics as a required subject for freshmen. This class, taught by Mrs. G. W. Corporon, studied the Arctic, Temperate, and other astronomical zones of the earth. In keeping with the times much emphasis was put on the Air World and how man has seemingly conquered long distances.

Maintenance

Left to right: Charles Barnett, auditorium; Tom Angell, night third floor; Walter Brun, engineer; Gladys Kline, first floor; Ed Lander, engineer; Grace Tipton, third floor; Bonita Thomas, second floor; Henry Kearney, head custodian; John Carr, first floor; Oscar Anderson, gym; Bill Kellner, second floor; Floyd Miller, third floor.

These busy people under the direction of Henry Kearney and Ed Lander take care of Wyandotte's building and grounds. Miles and miles of floor are kept shining, furniture is spotless, temperatures remain constant no matter what the weather brings, and acres of grass and shrubs are kept beautiful the year around.

Cafeteria Staff

Back row, left to right: Norma Wood, Nan Duncan, Lottie Friedman, Eva Gauch, Ethel Moore, Lena Bell, Edna Howell, Birdie Rymus, Florence Shewbury, Florence Doughton, Clara Mitchell.

Front row: Margaret Taxacher, Nell McCullough, Ethoyl Crosswhite, Theresa Sheahan, Maude Hamler, Nora Ford, Nora Adams.

Good hot food and friendly service have become traditional in the Wyandotte Cafeteria. These ladies, working under Mrs. Norma Wood, bake the pies, whip up the salads, roast the beef, and fill up the plates.

Kay Cees

by Zola Parke

Present at all home games to carry out their objective of fostering the highest type of school spirit, is the Kay Cees pep organization. Each year the Kay Cees present a play to provide funds for two formal banquets honoring the football and basketball teams and for a Junior College scholarship. This was the second year for the Girls' Athletic Association, and it has been very successful. The G.A.A. has sponsored tournaments, business and social meetings, and Sports Days at which most of the Kansas City, Kansas high schools have taken part.

Rosedale and Argentine were guests of Wyandotte at the inter-school Basketball Sports Day held March 22. This year only senior high schools participated. Each school sent two teams and each team played two games.

October 17, the G.A.A. sponsored a picnic at Kensington Park. Activities included softball, shuffleboard, volleyball, and roller skating.

This year a basketball officials' class was organized for those girls interested in officiating at the basketball games held after school.

The Swimming Club is made up of girls interested in advanced swimming and diving. This year the girls have been working on the Junior and Senior life-saving tests. The pool has been open for after-school swimming for those not belonging to the Swimming Club.

Any girl can join the G.A.A. but those most interested are the girls who are working for enough points to be awarded a "W". After they have earned enough points they are automatically members of the Girls' "W" Club. At the beginning of the second semester there were fourteen members. The highest honor in the "W" Club is to be awarded a gold pin and this year there were two girls who were outstanding enough to receive these. They were Dorothea Hoggatt and Rhoda Lee Lucas.

Parties

Upper—Kay Cee's Football Party
Lower—Girls' League Paleface Pow-wow

by Joan Gregory

Glancing back over the social events of 1945-46, it is clear that "all work and no play" is not the rule at Wyandotte. Parties sponsored by school organizations ranged from ice-skating to formal dances, reflecting the varied interests of Wyandotte pupils.

The first mixer of the year was sponsored by the Girls' League, and held in the gym after the football game with East High. The Swingmasters provided the music, as they did for the Sweetheart Hop after the never-to-be-forgotten Hutchinson basketball game. Sponsored by the Boys' "W" Club, this event was climaxed by the crowning of Norma Jeanne Nelson and Don Rupp as Sweetheart King and Queen.

To honor the football team, the Kay Cees held their formal banquet and dance at the Sky-Hy Roof of the Hotel Continental on Nov. 30 The Kay Cees basketball party on March 22 featured dinner in the cafeteria and dancing in the Social

Hall. This year as always the Junior-Senior Prom in May was an occasion long awaited and long remembered.

As an important part of Wyandotte social life, the Girls' League began the year with the "Pale Face Pow-Wow," a complete tour through the halls and tunnels of the school, ending with refreshments and a program in the cafeteria. This was followed by a bowling tournament in January, two ice-skating parties at the Pla-Mor, and a roller skating party.

No picture of Wyandotte social life would be complete unless it included Kanine Kennels, the youth center sponsored by the Women's Service League. The "Doghouse", as it is more commonly called, provided a place to dance, play games, or just to talk to friends, on the three nights a week it was open. Under the direction of Mayor Bill Brownrigg, special student committees planned Christmas and Valentine's parties held at the Kennels.

Assemblies

By Janet Gregory

Lillian Murphy, Soprano

The assembly schedule this year has been varied enough to satisfy the tastes of every student. Student talent, music, outside entertainers, and lecturers have all been included.

One of the first assemblies was the program introducing Wyandotte to new girls, presented by the Girls' League. Later came Pamashika's Pets, a group of trained animal acts. An inspiring talk was given by Mr. Cameron Beck, and students had the opportunity of hearing Superintendent F. L. Schlagle, who spoke of his experiences in attending the San Francisco and London conferences.

The Hi-Y again presented a student talent show in which first prize was awarded to Sinatra-singer Chester Smith, second prize to George Suptic, who played on the piano and the piano-accordian, third prize to magician Bob Klamm, and fourth prize to the Four Pink Spots.

"W" Club initiation assembly—President Al Sheriff presents Don Rupp the prize for doing the most pushups.

The Navy Day assembly included a film, "The Fleet That Came To Stay" and talks by Navy men. The music department made an appearance with the orchestra concert held in December, and soon followed through with the band concert in January. Memorable as ever was the traditional Christmas assembly put on by music and drama students.

Assemblies

On March first, the Kansas City Philharmonic Orchestra gave a concert of symphonic music for students from all the schools of the city. In the spring the music department also presented an elaborate variety show.

Different types of entertainment were given by Donald Scott-Morrison, pianist and conversationalist, and the Madrigalians, from Emporia State Teachers' College. A note of magic was entered with the appearance of Torrini and Phyllis. One of the last of the year's programs was the McCormick assembly.

Pep assemblies were held at various times during the year, giving the students a chance to release their spirits and cheer their teams on to victory. This year, again, assemblies have been a high point in the round of school activities.

Quiverian

by Joan Gregory and Mary Cecilia Medved

Left to right: Joan Gregory, Mary Cecilia Medved.

As you glance through this year's Quiverian, we hope that it has recorded all the events that have made this year important for you. Work on the yearbook began immediately after the opening of school and soon the editors, Joan Gregory and Mary Cecilia Medved, found themselves absorbed in tentative plans. The staff was organized and Mr. Lawrence Tharp, adviser, undertook the job of keeping things going on the right track.

Working with Mr. Tharp, Steve Blum started to take and develop the photographs which illustrate so vividly the various aspects of school life presented in these pages. Zola Parke designed the special peace cover, while Jeanne Schaulis created those snappy division pages. Cartoons are the work of Keith Trevault and Jim Cook. Everyone pitched in to help with the senior section and surrounded by rulers, pencils, paper cutters, glue and brushes, this job was done in record time. A competent writing staff also shared in making this Quiverian an interesting and complete account of the year 1945-46.

Left to right: Stephen Blum, Iris Caldwell, Charlene Lashbrook, Jeanne Schaulis, Janet Gregory, Zola Parke, Marian Murphy, Wilma Hanson, Robert Young.

Achievements in the world of sports were expertly reported by Bob Young, Fred Cross, Jack Hume, and Gerald Rushfelt; while Wilma Hanson, Iris Caldwell, Zola Parke, Marian Murphy, Janet Gregory, Caryl Laws, and Charlene Lashbrook capably depicted clubs and their activities. Connie Metaxas, Joan Degenhardt, Janet Gregory, and Fred Cross efficiently covered the other facts and happenings of the year. Hard working typists and picture-pasters were Peggy McKnight, Barbara Brown, Virginia Clough, Carol Nickum, Doris Bondank, Jean Silady, Norma Van Dorn, Shirley Taff, Dorothy McMahon, and Mary Ann Hodges.

All in all, thirty people made up the entire staff of this year's Quiverian. A host of pictures was taken, long hours were spent in planning and organizing material, and staff members painstakingly gathered and verified information about the things in which you are interested. This book was written for you. We hope that it meets with your approval and that you will enjoy reading it, not only now, but in the years to come.

Pantograph

by Mary Cecilia Medved

Seated, left to right: Vera Claxton, Barbara Brune, Norma Carter, Connie Metaxas, Mildred Gulnik, Jeanette Dalaba, Mary Cecilia Medved, Wilma Miller.
Standing: Mr. G. W. Corporon, Dick Keltner.

Eight girls and one boy, smallest staff in the history of The Pantograph, undertook publication of the school paper this year. They had to cope not only with the many and varied problems that would naturally befall such a small staff, but they also had to contend with the difficulties caused by shortages which continued despite the war's end.

However, by careful organization, by diligent work, and steadfast determination of everyone on the staff, twenty-eight issues of the Panto were distributed, thus successfully completing the twenty-seventh year of Panto publication.

The Panto eds, Mildred Gulnik and Connie Metaxas, set a record by holding down the position of co-editors both semesters. This is the first instance in the annals of the school paper that co-editors have retained their positions all year.

Working in the capacity as first page editor the entire year was Mary Cecilia Medved, while Dick Keltner, only boy on the staff, attended to sport's editor duties both semesters. Directing their efforts toward the feature page were Vera Claxton and Barbara Brune the first semester, with Jeanette Dalaba and the page assistants, Wilma Miller and Norma Carter, gathering news for third page. During the second semester, Vera and Jeanette were feature editors while Barbara took over third page.

Mr. G. W. Corporon returned in November to resume his duties as journalism adviser after having been gone over two years, during which time he served as combat historian with our armies in Europe. Miss Alice McTaggart was the Panto adviser this year until Mr. Corporon's return.

Highlighting the year's achievements were the April Fool's issue, the special basketball and swimming issue and the Christmas edition. Continuing the practice begun by former staffs, copies of the Panto were sent to all alumni serving with the armed forces. Climaxing the year's activities was the annual party given for staff members by the cubs.

Quill and Scroll membership was attained by six staff members. Barbara Brune, Vera Claxton, Jeanette Dalaba, Mildred Gulnik, Mary Cecilia Medved, and Connie Metaxas.

Debate

Standing, left to right: Mr. Jensen, Don Seamans, Ted Clevenger. Seated: Joan Gregory, Fred Cross.

A stream of oratory or a flurry of quote cards signifies a debater, probably located somewhere between the library and the room of Coach Leonard Jensen. These debaters enjoy themselves while working towards the goals of alert thinking, clear expression of ideas, poise, and a good speaking voice.

Several tournaments offer them the chance to try their skill against that of teams from other schools throughout Kansas and Missouri. These contests are always enjoyable and give valuable experience, whether or not they are won.

Thus it was not a useless season for the Barking Dogs, even though it was comparatively unsuccessful. Advancing to the semi-finals at Pittsburg, Wyandotte was eliminated at Topeka, Shawnee Mission, and the regionals. The invitational tournament held here in January saw Russell capture highest honors, and Topeka take second. Wyandotte word-wranglers in their position as hosts to this successful tourney, dropped out after the preliminary rounds.

In addition to participation in tournaments, these Jensenites render a valuable community service by presenting demonstration debates, round table discussions, and talks before civic clubs, P.T.A. meetings, church groups, and other organizations.

Seated: Beverly White, Gene Reed, Rhoda Lee Lucas, Ernest Ward, Martha Wagner.

"This Is Wyandotte" starts off a fascinating fifteen minutes for members of the Radio Production class, which is under the direction of Miss Florence Hoar.

This year, a variety of programs has been given to various groups throughout the city, and also at the veterans hospitals, Wadsworth and Leavenworth. In addition to the outside programs, the class, through the courtesy of station KCKN, had a weekly program, which started January 27, entitled "This Is Wyandotte". Don Seamans, Charles Holt, Fred Cross, Beverly White, and Stella Goldfine were Wyandotte's participants on the KMBC Radio Workshop, which was heard every Friday afternoon from 2:15 to 2:30 o'clock.

To become a member of this class one must have the approval of the instructor, Miss Hoar. Included in the course is the learning of radio terms, script writing, participation in scripts given on the radio and directing of programs. One also learns of the varied vocations offered in the large field of radio, and that time is the most important factor in the radio industry.

The class was resumed this year after being discontinued in 1944. Officers for the year were: Don Seamans — president, Fred Cross — vice-president, Beverly White — secretary, and Jim Davidson — treasurer.

Choosing one of the more popular modern plays, and a difficult one also, the senior class, with a cast composed of veteran Thespians, presented "Charlie's Aunt" to two packed houses. The plot is about a young man who masquerades as his best friend's aunt, in order to help him in a love affair. Each character was well portrayed by an excellent cast under the direction of Mr. H. A. Billingsley.

Drama Club Play

Taking a turn from comedy to tragedy, the Dramatic Arts Club presented the psychological melodrama which was recently made into a motion picture, "Guest in the House." Those in the cast were Richard Bowers, Iris Caldwell, Ted Clevenger, Nancy Davidson, Barbara Dawson, Stella Goldfine, Don Gould, Charles Holt, Jean Orr, Charles Rickey, Don Seamans, Shirley St. Clair, Phyllis Tevis, and Martha Wagner. Mr. H. A. Billingsley was the director.

Junior Play

Seated: Allan J. Sever, Kenneth Medearis, Joyce Gazin, Pat Nason, Pat Lynch, Nancy Ruthrauff, Mary Lee Sturgeon.

With Mr. H. A. Billingsley as director, the junior class presented a play which recently had an extended run on Broadway, "Junior Miss". A fast moving comedy, it concerns the thirteen-year old daughter of Mr. and Mrs. Harry Graves, Judy, who tries in her own way to play Cupid. Though nearly turning her parent's hair gray, everything ends well.

Kay Cee Play

Standing, left to right: Don Mather, Martha Frye, Jim Bob Wilson, Bill Williams, Dick Keltner, Charles Gibson, Nancy Ludlow, Phyllis Debus, Bob Meeks.

Seated: Louise Kasper, Allen Sever, Beverly White, Margaret McGregor, Pat Warnick, Joyce Gazin, Dick Wedge.

Not in picture: Iris Caldwell, John Carlson, Don Gould, Don Rupp, Barbara Brown, Mary Virginia Hill, Mary McGowan, Norma Jean Nelson, Clay Coburn.

The Kay Cees started the Wyandotte drama season off with a rollicking, free-rolling comedy called "College Daze". Miss Belle Helwig was the director. The story concerns a rich young playboy, who, in order to collect his inheritance, must attend a college out West. Here he switches places with a poor boy, gets into several predicaments, but everything finally turns out all right, as the play ends happily for everyone.

Onward, Wyandotte, onward Wyandotte,

Run the ball clear round the end boys,
Touchdown sure this time! Rah! Rah! Rah!
Onward, Wyandotte, onward Wyandotte,
Fight on for her fame,
Fight, fellows, fight; and we will win this game.

Sittin' in the grandstand,
Beatin' on a tin can,
Who can? We can!

Five successive shutouts marked the excellent record of the 1945 Wyandotte High School Bulldogs. Closing their season at Lawrence on Thanksgiving Day, the Bulldogs chalked up six wins, two ties, and one loss for an average of .857.

The first touchdown of the season came after a 76-yard running-passing attack, with Don Wilson plunging from the three yard line. A Wyandotte fumble in the fourth quarter gave Central of Kansas City, Missouri, the opportunity to score the tying six points.

Wyandotte's passing attack, Wilson throwing with ends H. L. Hammond and Bob Mackish receiving, spelled a 6-0 defeat for the Shawnee Mission Indians. Wilson smashed over from two yards out for the tally.

First to feel the Bulldog's strength were the Leavenworth Pioneers. In winning 25-0, Wyandotte pushed across four touchdowns and a conversion. Jack Phillips, streaking fullback, scored twice, once on a 70-yard run. Wilson and Dale Harvey accounted for the other two scores.

And then — Ward! But the fans agreed "it was Wyandotte all the way." Phillips scored first from two yards out and then, at the opening of the third period, returned the kickoff 80 yards through the befuddled Cyclone squad for his second TD of the game. Wilson converted both times. John Carlson, elusive back, boosted the score to 20-0 when he scampered across the twin stripes for the last tally of the game.

The Bulldogs won the City Title when they defeated Argentine 32-0. Phillips picked up two more touchdowns while Carlson, Hammond, and Wallace Hicklin got one each. Central High of St. Joe met the Bulldogs

next and left with a 50-0 defeat. Wyandotte scorers in this game were: Phillips with three touchdowns; Wilson, two; and Al Sheriff, and Mackish, one each. Clay Coburn scored a safety.

A strong Topeka eleven held Wyandotte to a 7-7 tie. Ex-marine Al Sheriff drove across the line and Wilson booted the tying point.

A week later the Bulldogs bounded back to pin a 38-7 defeat on East High of Kansas City, Missouri. Wilson scored twice, while Sheriff, Dave Boddington, and Bill Brownrigg made one each.

It was a determined Bulldog that took on the powerful Lawrence Lion, Thanksgiving at Haskell Stadium. Wyandotte's line put up a stubborn defense, allowing two Lawrence touchdowns in the first quarter and then holding firmly until the final minutes. But, possibly because Mackish, Schmidt and Blazer were out of the lineup because of injuries, Wyandotte was unable to get its offensive rolling, and Lawrence came out on top, 19-0. Wyandotte lettermen, Charles Rider and Bernard Petrich are not pictured individually on these pages.

Reserve Football

by Jack Hume

The reserve football team of 1945 came through a season of nine games undefeated and untied. This is the second time Mr. Marion Wools has coached the reserve squad and it is his second undefeated team. In 1942 he coached the Sophomores and that team, also, had a clean record for the season.

The Bullpups scored 183 points to 40 for their opponents. George Kanas scored 48 points, Andy Dimsdale 44, and John Winters 36 during the season.

Twenty-seven boys received the 4½ inch "W" which is given to the reserve team members.

Basketball

by Robert Young

Winning both the city and the regional championships, the Wyandotte Basketeers presented as interesting a season of basketball as local fans have seen in recent years. They also gave dopesters a season of headache as the outcome of nearly every game was contrary to predictions. Of the twenty-three games played, fifteen were Bulldog victories.

Coach Marion A. Wools had four returning lettermen to form the nucleus of the 1945-46 squad when practice began in November. These were Don Jolley, Hugh McCaughey, Bob Mackish, and Don Wilson.

It was not a sneak attack, but December seventh found the Central Eagles unprepared for the Bulldogs. Following the 49-35 victory over Central, Wyandotte defeated Rosedale, 37-20. It was in the third game that the Red and White boys first tasted defeat, bowing to Northeast, 46-37.

Paced by Hugh McCaughey's ten points, a fast-breaking Wyandotte five rolled over Shawnee Mission, 28-22, for the seventh successive time. In a game the following evening, the "W" boys were upset, 23-27, by Olathe.

A brief Christmas holiday rest left the Canines ready to pin their eighteenth successive defeat on Rosedale. After "sweating out" an hour of darkness due to a power breakdown, the Bulldogs were again upset, 25-27, in the Argentine game.

Although rated 10-point underdogs, in the Topeka tilt, Wyandotte roared through with a 45-36 win. Eighteen and sixteen points were poured through the nets by Mackish and Jolley, respectively. In the next game, Ward ran up a 7-0 lead before the Bulldogs began to roll. The Cyclones were unable to match Wyandotte's speed, however and dropped the game, 29-40. The Lawrence Lions were next whipped by the Bulldogs, 23-29.

Hitting the road for a weekend, the Wyandotte quintet brought back victories over Pittsburg and Coffeyville. Don Burchfield netted 21 points on the trip.

In a hotly contested home game, Salina, defending state champion, was nosed out 35-33. Free throws by Bob Laird and Don Wilson decided the outcome in the final minute.

In the Wyandotte Invitation Tournament, the Bulldogs, hosts, politely took last place by losing to

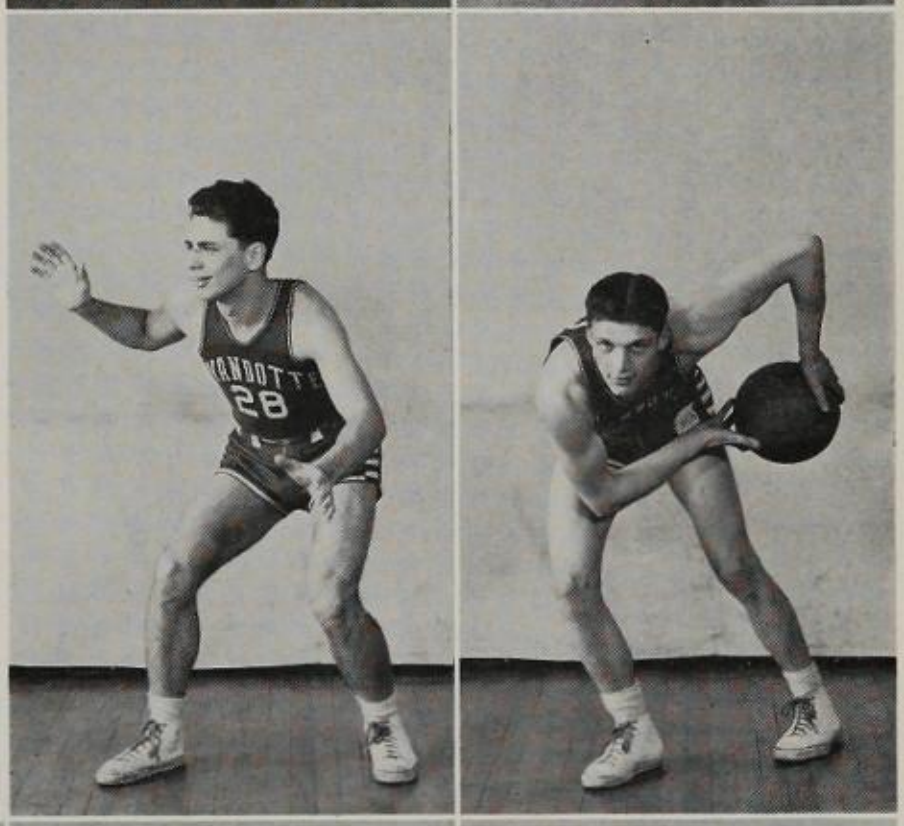
Columbus, 31-45, and to Ward, 25-27. The revenge-seeking Topeka and Shawnee squads took advantage of the Wyandotte slump to win the next two games, 36-22 and 31-22, respectively.

No one who saw the Hutchinson game can ever forget the hair-raising finish! With the Salthawks leading by three points, and less than half a minute left to play, Wilson dropped in his only goal of the game. Pat Nugent followed a few seconds later with the game-winning bucket.

In the second round with Argentine, Wyandotte came out on the heavy end of a 45-25 score. It was this game that decided the city title. Ward bowed in the final game of the regular season, 41-28.

In winning the regional crown, Wyandotte defeated Leavenworth, 37-29, and Lawrence, 32-30. Emporia upset the Bulldogs, 28-27, in the first round of the State finals, and thus ended another successful basketball season for Wyandotte.



Bob Mackish and Pat Nugent made the all city team with Mackish as captain. Burchfield and Laird were listed on the second team, while Jolley and Wilson received honorable mention. Mackish also received the distinction of being elected the honorary captain of the 1946 team.

Starting slowly, but improving rapidly, the Wyandotte Waterdogs, coached by W. D. Roy, surprised the experts by taking second place in the state meet which was held at the Wyandotte Natatorium on February 23.

The squad which reported for practice early in December was composed of about twenty-five boys, most of whom were sophomores and juniors. With six returning lettermen forming a nucleus, Coach Roy molded a team, which, though relinquishing the state championship which it had held for three consecutive years, continued to be a fighting, driving wall of opposition.

After losing several hard fought meets by close scores, the Wyandotte natators took second place in the state by taking first place in the back stroke and medley relay events, and placing high in four others. The scores in the state meet were: Wichita North, 57; Wyandotte, 38; Wichita East, 37; Coffeyville, 16; and Topeka, 8.

This year, Wyandotte had three swimming meets with schools from Kansas City, Mo., those schools being Northeast, Manual, and Southwest. Coach Roy used his second team in defeating all three by

Co-captained by Dale Harvey and Jack Phillips, the 1946 Wyandotte track team was expected to open the season officially by again holding a dual meet with Shawnee Mission. Wyandotte also renewed its participation in the city meet, the K. U. Relays, the Regional Tournament and the State Tournament, as well as sponsoring its annual invitational meet.

Reporting to Coach Lester C. Ramsey were 13 returning lettermen to form the nucleus for a strong team this year. Besides Harvey, who competes in the weights; and Phillips, a dash man, there were three other members who had lettered twice: H. L. Hammond, broad jump and dashes; Hugh McCaughey, hurdles; and Pat Nugent, pole vault. Other returning lettermen were Bill Brownrigg, 440; George Corbett, 880; Don Jolley, high jump and javelin; Dee Roy, 220 and 440; Charles Tolman, mile; Jack Tucker, dashes; Tom White, 440; and Don Yeager, javelin.

Last year the Cinderdogs gained honors of distinction by winning the City Championship and the Regional Championship at Lawrence. After placing second in a pre-season indoor meet at the Municipal Auditorium, Wyandotte officially opened its track schedule by defeating Shawnee Mission 77-55 in a dual meet here.

meet in which ten records were broken. Winning with 67.7. points Wyandotte placed first in seven events. Wallace Snoderly broke records in the 100 and 220 yard dashes by stopping the clock at ten seconds and 23 seconds, respectively. Wyandotte also broke records in the 880 yard relay, the mile relay, and the broad jump, in which, H. L. Hammond jumped 21′ 11″.

Traveling to Lawrence the following week, the 45 track squad placed fourth in the K. U. Relays, with Snoderly taking first in the 100.

In the Invitational Meet of nine schools Wyandotte followed closely behind Shawnee Mission to take second place. On May 4 Wyandotte tied with Topeka for second place in a triangular meet with Ottawa and Topeka at Topeka.

Wyandotte replaced Shawnee Mission as Regional Champions by nosing out the defending champs with a two point margin in the Regionals at Lawrence on May 12. In a dramatic climax the championship was decided during the last event of the day in which Wyandotte's mile relay team came from behind to defeat Shawnee Mission.

Finishing its track season, part of the team then journeyed to Wichita to enter the State Meet. Wyandotte placed fourth as Wallace Snoderly took firsts in the dashes.

Ward Neel

Captain
Eugene Bukaty

With seven returning lettermen under the direction of Coach Ward L. Neel, Wyandotte's baseball team began its early spring workouts for the 1946 season. The returning members were Sid Rose, Don Wilson, Clay Coburn, Glen Richardson, Gene Bukaty, Al Placke, and Bernard Petrich.

Last year the team entered in the first Kansas State Baseball tournament at Wichita, in which 16 teams participated. Wyandotte was eliminated by Wichita Cathedral, 2-0, in the first round, despite excellent five-hit pitching by Sid Rose. However, the Bulldog Nine did finish with a better than .500 average by winning four of it's seven regular games.

Back row, left to right: Glen Richardson, Don Wilson, Leo Storm, Bill Bierman, Robert Fox, Bernie Petrich, Coach Ward Neel, Sid Rose, Don Stillwagon.
First row: Albert Placke, Gene Bukaty, Francis Mason, Clay Coburn, Bill Delich, Ray Vusich, Bud McPherron.

Tennis

Reporting for this year's tennis team were five members from last year's squad. Led by John Carlson, captain and only returning letterman, other members of the team were David Day, Kenneth Medearis, George Neilson, and Jim Wilson. Because the team was temporarily without a coach it was sponsored by Francis Gregory.

In 1945 the netsters won three of their five matches by defeating Westport, Southwest, and Rockhurst High Schools. The other two matches were lost to Topeka. In the State Tournament which was held at Topeka, John Carlson was the only member to advance to the finals, while David Nesser and Donald Medearis were able to advance to the semi-finals.

We say goodbye

National Honor Society

by Joan Gregory

One-tenth of the senior class is chosen for membership in the National Honor Society each spring. Those in the top third of their class scholastically are eligible; final selection is made by the faculty committee headed by Miss E. Maude Moles. Every teacher rates the candidate on scholarship, leadership, character, and service to the school.

On Good Friday members are notified of their selection. They may buy the gold pin bearing the emblem of the torch of knowledge. A formal initiation is held in the auditorium, followed by a reception for new members, their parents, teachers, and friends.

Class of 1946

by the editors

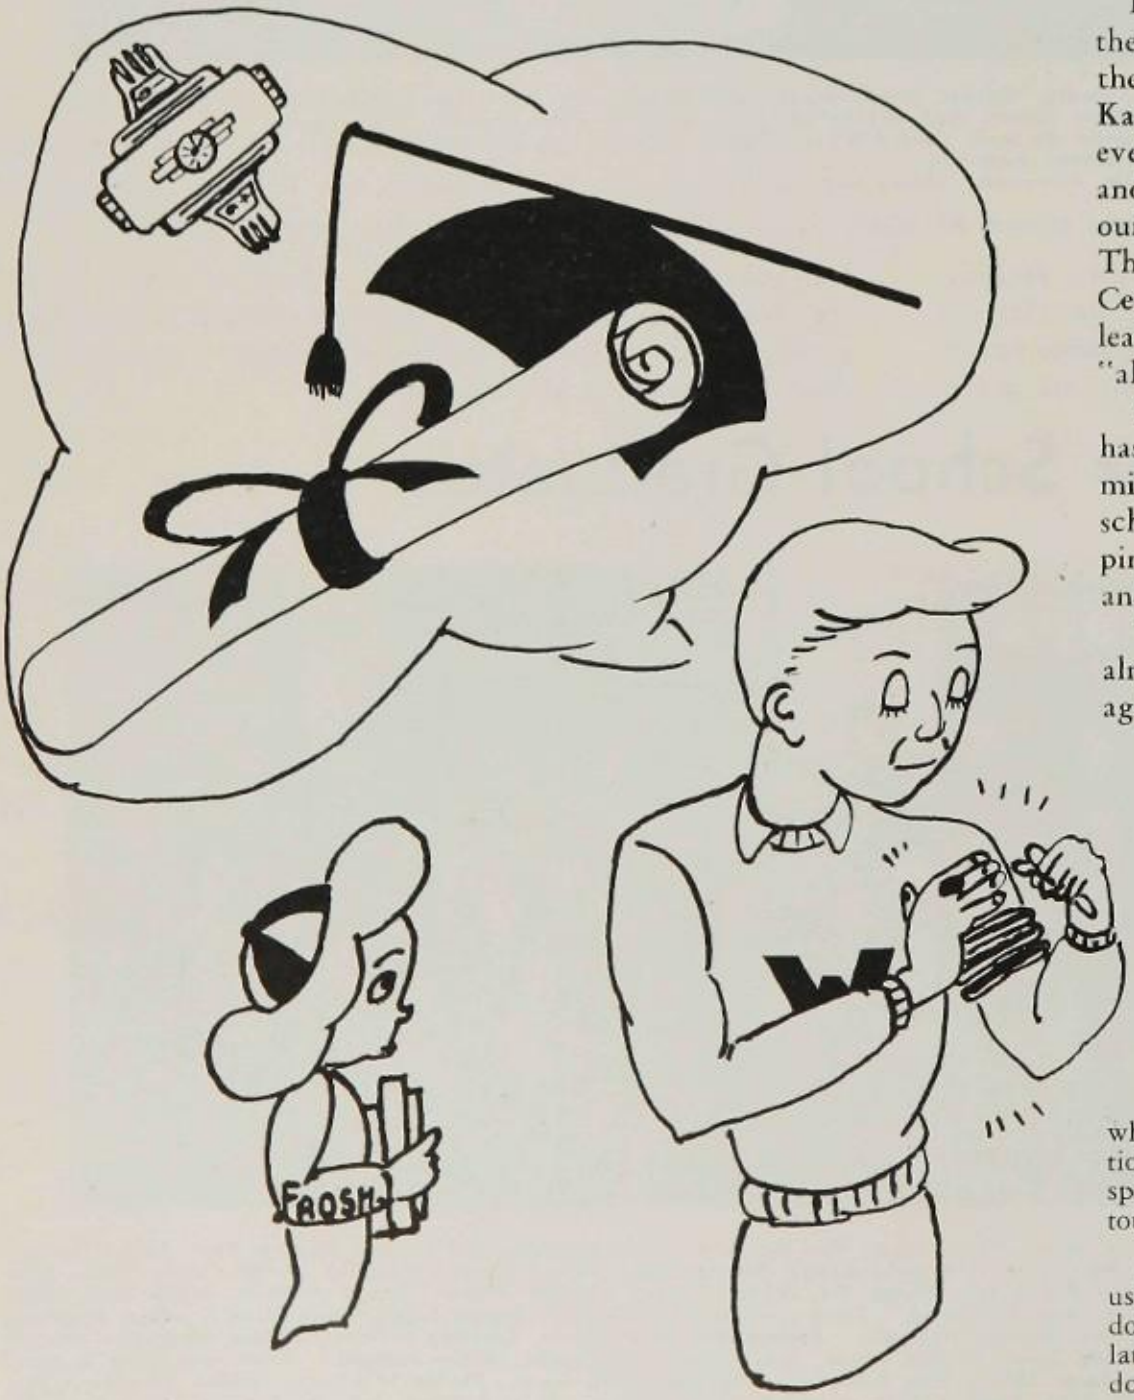
As our high school days draw to a close, we look back over the four years that we have spent at Wyandotte and think of the year when we came to Wyandotte as freshmen. It didn't take us long to become acquainted and we were soon absorbed into the pattern of life at Wyandotte.

We enthusiastically tried to live up to the keynote for the year, "On the Double", by joining the Victory Corps, taking part in an enlarged physical education program, and studying new courses geared to war needs. We also remember the girl cheerleaders, the first in fifteen years, who stepped back into the limelight that year.

The next year our class increased as graduates of the junior high schools joined us. All of us made new friends and looked forward to the year's activities.

We entered again into the war effort with the schools-at-war program, by selling War Stamps and Bonds in first hours. During this year the first mixer was held. It proved such a hit with the students that two more were held later in the year. Since it was Leap Year, one of the mixers took the form of a Backward Party. Not to be outdone, our class also sponsored a mixer after school for sophomores only, and later, one for both sophomores and freshmen.

Our sophomore year saw members of the class directing their efforts to activities in which they were particularly interested. Some of the boys turned their attention to sports. Some of us concentrated on dramatics, debate, or music, while others were enthusiastic club members. Many students attended summer classes conducted at Junior College for those who found it necessary to accelerate their courses. During our first years we also remember that we said good-bye to several of the faculty who left to serve in the armed forces.



Last year we attained the title and some of the dignity of upperclassmen, when we entered the junior class. Led by the Student Cabinet, Kanine Kennels opened, and we spent many evenings out there dancing, playing checkers and ping-pong, eating, and just talking. For our annual play we presented "The Passing of Third Floor Back." This was the year of Kay Cee parties, a wonderful Prom, and increased leadership in activities as a result of being "almost seniors".

And then—this year, our senior year, which has gone unbelievably fast. Constantly reminding us that it was our last year of high school were senior pictures, class rings and pins, announcements, and last minute worry and work for the National Honor Society.

The beginning of our senior year coincided almost exactly with the beginning of peace again, and just as many things about our first year were changed because of war, so were many things about our last year changed because of peace, such as new classes, veterans, increased enrollment, return of many teachers who had been with the armed services and a general attitude of thankfulness.

There are so many little customs and activities that we have participated in at Wyandotte that have made our years here so memorable—the fighting bulldog spirit which the teams and students have always exhibited, the beautiful, traditional Christmas assembly and the zestful caroling in social hall during the holiday season while the logs blazed in the fireplaces and decorations greeted us at every turn—the all-school parties sponsored by the Girls' League, the plays, debate tournaments—and many, many others.

All too soon the flurry of graduation sweeps over us. The last Prom, baccalaureate services, and we don our caps and gowns, amidst the many congratulations and listen once more to the "Glory of Wyandotte" which somehow takes on new meaning now.
